This weekend lane closures on I-80/94 in Lansing

Major travel delays are anticipated, alternative routes are encouraged

CHICAGO – The Illinois Department of Transportation announced today that pavement patching and repairs of Interstate 80/94, from Illinois 394 to just east of Wentworth Avenue, in Lansing, will require lane closures over multiple weekends beginning, weather permitting, tomorrow, Friday, Oct. 1.

Starting at 7 p.m. tomorrow to noon Sunday, Oct. 3, lane closures will take place on westbound I-80/94. Eastbound I-80/94 lane closures will start at 10 p.m. tomorrow to 5 a.m. Monday, Oct. 4. At least two lanes will remain open in each direction at all times and the ramps will not be impacted.

Additional weekend lane closures will be scheduled on both sides of I-80/94, including various ramp closures with detours in the coming weekends to complete the work.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
